NOTES:

The Communities Summary identifies the top three types of communities in the zip code, the number of households, and the percent of the zip code. Communities are comprised of multiple lifestyle segments.

The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

Rev. 5:9

And they sang a new song, saying: "You are worthy to take the scroll and to open its seals, because you were slain, and with your blood you purchased for God persons from every tribe and language and people and nation."

Country Communities

Households: 197 Percent: 100%

Land, family and community are central to the day-to-day lives of the people in these farming and mining communities. They work hard to provide a steady, peaceful family life through farming, agriculture, education, mining and service industries. With low levels of education, these primarily white family households earn wages in the lower middle income bracket. Residents live in single-family homes, mobile homes or trailers in rural tracts and neighborhoods.

Top Lifestyle Segments in Zipcode 50034

America's Farmlands

Households: 193

Percent: 97.97%

Unreached: 57%

With more than nine times the national average for farmers, America's Farmlands has the highest percentage of farmers in the nation. In these remote communities scattered across the nation, residents are likely to have high school diplomas and middle-class incomes. Many live in older, single-family homes on large plots of land. The population density in this segment is less than one-tenth the national average.

Hardy Rural Families

Households: 4

Percent: 2.03%

Unreached: 61%

Far beyond the nation's beltways in tiny towns and isolated villages, the households of Hardy Rural Families are thriving. Predominantly white and middle-class, these older Americans have crafted rustic lifestyles in older single-family houses and mobile homes. Most of the households comprise married couples with a single wage earner who are high school educated and have blue-collar jobs in agriculture, construction and transportation. I
