NOTES:

The Communities Summary identifies the top three types of communities in the zip code, the number of households, and the percent of the zip code. Communities are comprised of multiple lifestyle segments.

The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

Working Communities

Most residents of Working Communities are high school educated. Some have even been to college. Their education affords them lower middle incomes through blue collar jobs in manufacturing, construction, health services, retail, wholesale and food service. These jobs provide a stable household economy supporting personal and family pursuits in everyday life. This ethnically diverse mix of single and married homeowners dwells in densely populated areas and small-town suburbs.

Urban Communities

The people are poor, struggling and largely single. Some are single parents with large families; most have below-average incomes. Unemployment is double the national average. For the African-American and Hispanic families in Urban Communities, struggling to balance priorities and budgets in a climate of institutional prejudice creates a lack of stability and control. Residing within major metropolitan cities and towns, most households live in apartments.

Upscale Communities

As the wealthiest households in the nation, upscale communities boast high household incomes, significant home values and top educational achievements. Households in these exclusive suburban neighborhoods are headed by predominantly white, college educated, Baby Boom parents. Most adults work as executives and white collar professionals. They are active members of the community in business clubs, environmental groups and the arts.

Top Lifestyle Segments in Zipcode 48910

Steadfast Conservatives (69% Unreached)

A quietly aging cluster, Steadfast Conservatives is home to mature singles and couples living in midscale urban neighborhoods. Households tend to be white, high school-educated and middle class. Many have begun to empty-nest or are already filled with couples and singles aged 65 years or older. The seniority of many residents does have benefits in the workplace. They earn middle class incomes from skilled jobs in manufacturing, retail and health.
