NOTES:

The Communities Summary identifies the top three types of communities in the county, the number of households, and the percent of the county.

The Lifestyle Summary identifies the top six lifestyle segments in the county, the number of households, percent of the county households, and the percent of households that are unreached.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the county. The last three items provide the household percent that is "affiliated" with the top religious groups. "Other World Religions" include religions other than Islam, Hinduism, Buddhism, and Christianity.

Location Composition: Listed are the total number of people and the total number of households in the county.

Race/Ethnicity gives the population count and percentage of population for each of the race / ethnicity categories. The language section gives the population count age 5 yrs+ that speaks the language at home.

Upscale Communities

As the wealthiest households in the nation, upscale communities boast high household incomes, significant home values and top educational achievements. Households in these exclusive suburban neighborhoods are headed by predominantly white, college educated, Baby Boom parents. Most adults work as executives and white collar professionals. They are active members of the community in business clubs, environmental groups and the arts.

Households: 3,636
Percent: 23.56%

Working Communities

Most residents of Working Communities are high school educated. Some have even been to college. Their education affords them lower middle incomes through blue collar jobs in manufacturing, construction, health services, retail, wholesale and food service. These jobs provide a stable household economy supporting personal and family pursuits in everyday life. This ethnically diverse mix of single and married homeowners dwells in densely populated areas and small-town suburbs.

Households: 2,547

Aspiring Communities

Young, ambitious and culturally diverse, they are the evolving voice of American society. In Aspiring Communities, truth is centered around "me" and everything is interconnected. The majority of people in this group are between the ages of 18 – 34. Sixty percent are renting singles; others live on military bases or in college dorms. Members of Aspiring Communities are four times more likely to be unemployed. Of those who work, most live in or conveniently close to metropolitan areas.

Top Lifestyle Segments

Steadfast Conservatives (69% Unreached)

A quietly aging cluster, Steadfast Conservatives is home to mature singles and couples living in midscale urban neighborhoods. Households tend to be white, high school-educated and middle class. Many have begun to empty-nest or are already filled with couples and singles aged 65 years or older. The seniority of many residents does have benefits in the workplace. They earn middle class incomes from skilled jobs in manufacturing, retail and health.

Households: 2,905
