NOTES:

The Communities Summary identifies the top three types of communities in the zip code, the number of households, and the percent of the zip code. Communities are comprised of multiple lifestyle segments.

The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

Upscale Communities

As the wealthiest households in the nation, upscale communities boast high household incomes, significant home values and top educational achievements. Households in these exclusive suburban neighborhoods are headed by predominantly white, college educated, Baby Boom parents. Most adults work as executives and white collar professionals. They are active members of the community in business clubs, environmental groups and the arts.

Households: 8

Mainstay Communities

The backbone of small towns and second cities, Mainstay Communities are established neighborhoods where residents enjoy strong relational ties. These moderately educated wage earners are employed in well-paying blue collar and professional service jobs. The aging adult population consists of retired American singles and couples. A sense of belonging within the community is a key identity factor for those who live there. Residents go into the city to visit clubs and malls.

Top Lifestyle Segments in Zipcode 29482

America's Wealthiest (80% Unreached)

America's Wealthiest consists of the nation's most affluent households found in well established suburban communities. With incomes well above the national average, residents represent both old and new wealth, enjoying very comfortable lifestyles and the finer things in life. These households are more than six times likely to be earning \$250,000 or more. Most of the adults are married, middle aged, college educated and predominantly white.

Households: 628
Percent: 76.87%

White-Collar Suburbia (81% Unreached)

White-collar Suburbia is a haven for upscale Baby Boomers living in suburban comfort. But unlike the overwhelmingly white suburbs of a generation ago, this cluster has the highest concentration of Asians in the nation-about four times the U.S. average. Most of the adults are married couples with children, have attended college and are employed as white-collar professionals, managers and executives.

Households: 69
Percent: 8.45%

Affluent Urban Professionals (81% Unreached)

The yuppies of the last decade may have grown up, but their lifestyle lives on. In Affluent Urban Professionals, wealthy singles and couples live in the chic high-rise neighborhoods of many big cities such as New York, Boston and Chicago, owning swank condos and apartments valued at twice the national average. Most residents are in their twenties and thirties, hold college degrees and have jobs as executives and white-collar professionals.
