### NOTES:

The Communities Summary identifies the top three types of communities in the zip code, the number of households, and the percent of the zip code. Communities are comprised of multiple lifestyle segments.

The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

Households: 111  
Percent: 51.87%

### Aspiring Communities

Young, ambitious and culturally diverse, they are the evolving voice of American society. In Aspiring Communities, truth is centered around "me" and everything is interconnected. The majority of people in this group are between the ages of 18 – 34. Sixty percent are renting singles; others live on military bases or in college dorms. Members of Aspiring Communities are four times more likely to be unemployed. Of those who work, most live in or conveniently close to metropolitan areas.

Households: 103  
Percent: 48.13%

### Urban Communities

The people are poor, struggling and largely single. Some are single parents with large families; most have below-average incomes. Unemployment is double the national average. For the African-American and Hispanic families in Urban Communities, struggling to balance priorities and budgets in a climate of institutional prejudice creates a lack of stability and control. Residing within major metropolitan cities and towns, most households live in apartments.
