lifestyle segments. The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are

The Communities Summary identifies the top three types of communities in the zip code, the

number of households, and the percent of the zip code. Communities are comprised of multiple

unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

As the wealthiest households in the nation, upscale communities boast high household incomes,

Upscale Communities

The backbone of small towns and second cities. Mainstay Communities are established neighborhoods where residents enjoy strong relational ties. These moderately educated wage earners are employed in well-paying blue collar and professional service jobs. The aging adult population consists of retired American singles and couples. A sense of belonging within the community is a key identity factor for those who live there. Residents go into the city to visit clubs and malls.

Country Communities

Land, family and community are central to the day-to-day lives of the people in these farming and mining communities. They work hard to provide a steady, peaceful family life through farming, agriculture, education, mining and service industries. With low levels of education, these primarily white family households earn wages in the lower middle income bracket. Residents live in single-family homes, mobile homes or trailers in rural tracts and neighborhoods.

Top Lifestyle Segments in Zipcode 27040

Urban Commuter Families

Not all families have fled the nation's cities for the far-out suburbs. In Urban Commuter Families, Baby Boomer families and couples are content to live in comfortable, single detached homes in city neighborhoods on the metro fringe. Many of these upscale, college-educated households contain dual-income couples who put in long hours as professionals and managers in retail, health care and education services.

Households: 2,337 Percent: 57.53%

Small-town Success

(69% Unreached)

(67% Unreached)

Small-town Success is typically home to the families of the most prominent citizens in their exurban communities. White-collar, college educated and upscale, they live in recently developed subdivisions outside the nation's beltways in the Midwest and West. Most of these households contain white, middle-aged working couples who have positions as executives and professionals in health care, retail and education.

Enterprising Couples

Enterprising Couples represents a collection of married couples with children and childless duos living in upper-middle-class commuter communities. Most adults are Baby Boomers who are white, college educated and well paid earning household incomes more than twice the national median. Living in new subdivisions in the metropolitan sprawl, Enterprising Couples households typically have long commutes to white-collar jobs in health care, education jobs.

Second City Homebodies

(71% Unreached)

(67% Unreached)

Most likely to be found in a variety of small, satellite cities along both coasts such as Virginia Beach, VA, Ft. Lauderdale, FL, and Portland, OR. Second City Homebodies inhabit a prosperous world where middle-aged couples and families lead flourishing lifestyles. Most of the households are well educated, with an almost an even split between college graduates and those who have completed only some college.

Households: 174 Percent: 4.28%

Households: 129 Percent: 3.18%

Family Convenience

(64% Unreached)

Family Convenience is a collection of sprawling families living in remote towns and military bases. Most of the households contain dual-income couples working at skilled blue-collar jobs in manufacturing and construction as well as in the military. Service families are six times as likely to live here than the general population. Despite moderate educations, the adults in this segment earn upper-middle incomes.

Households: 489 Percent: 12.04%

Households: 556

Percent: 13.69%

Prime Middle America

Prime Middle America features a mix of couples and families living in both small towns and mid-sized cities in the South and Northwest. Younger than average and upper-middle-class in status, these predominantly white dual-income households have well-paying blue-collar and white-collar jobs in transportation, manufacturing and public administration. Most of the households own their own homes and are nearly twice as likely to live in mobile homes.
