NOTES:

The Communities Summary identifies the top three types of communities in the zip code, the number of households, and the percent of the zip code. Communities are comprised of multiple lifestyle segments.

The Lifestyle Summary identifies the top six lifestyle segments in the zip code, the number of households, percent of the zip code households, and the percent of households that are unreached. Lifestyle Segments are individual groups of people with similar living preferences and patterns.

The numbers in the Evangelscape communicate the most compelling reasons why this community needs churches and believers to intercede in missional prayer and activity. This community needs eternal transformation that only comes by way of the gospel and the working of the Holy Spirit.

Churchscape indicators reveal a snapshot of the extent of evangelical presence in the focus community.

Location Composition: Listed are the total number of people and the total number of households in the county.

Cultural bridges are those characteristics that could be used to build relationships with people in the lifestyle group. Various activities, interests, or opinions represented among the consumer behavior characteristics of the lifestyle group offer ways for believers to build relationships with people in the lifestyle group and through that relationship impact them for Christ.

Mainstay Communities

Households: 307 Percent: 100%

The backbone of small towns and second cities, Mainstay Communities are established neighborhoods where residents enjoy strong relational ties. These moderately educated wage earners are employed in well-paying blue collar and professional service jobs. The aging adult population consists of retired American singles and couples. A sense of belonging within the community is a key identity factor for those who live there. Residents go into the city to visit clubs and malls.

Top Lifestyle Segments in Zipcode 28745

Professional Urbanites

Households: 286 Percent: 93.16%
Unreached: 72%

Professional Urbanites is a haven for aging singles and couples, an upper-middle-class retirement oasis in the metropolitan sprawl. With most residents over the age of 65, these households have already empty-nested, with their children having gone off to college and work. The adults in this cluster boast college degrees with above-average incomes as white-collar professionals and managers in retail, education and health care.

American Great Outdoors

(64% Unreached)

A rugged blend of rural couples and retirees makes up American Great Outdoors. Scattered in remote communities around the country, this segment is characterized by aging households-about half are over 65- who like an outdoor lifestyle. These singles and couples live in modest homes, small apartment buildings and mobile homes. There's little emphasis on educational achievement, and one in five did not complete high school.
